How can I get involved?

In addition to attending the monthly Booster Club meetings, there are plenty of opportunities for you to earn Family Commitment Hours and to support our school no matter how hectic your schedule. Ask businesses you frequent if they'd like to donate to the Silent Auction! Help run the various activities/stations at Fun & Fitness! Hand out candy or man the booths at the Fall Carnival! Transform the Fellowship Hall into a Teacher Tea oasis! Browse the list above to see where you might be able to help. All these events require the time, energy, and financial resources from each of us in order to succeed.

Keep an eye out for requests for volunteers in the weekly Newsletter as these events approach to sign up!

What are Family Commitment Hours?

And how do I fulfill them?

All of us paid a \$150 Family Commitment fee and received a 15-hour card at Registration. When you attend a Booster Club meeting or help at a school-related event, your card will be signed for each hour of volunteer time you contributed. (**Note:** Cards must be signed within 2 weeks of the event to receive credit.) Once all 15 hours have been completed (must be done by April 28, 2023), you will receive your \$150 back. For those of you interested in volunteering an **additional 15 hours**, you will be invited to a special lunch with Ms. Gerardo at the end of the school year!

What is the Booster Club?

As parents, grandparents, and guardians of St. Mark's students, we are all members of the St. Mark's Booster Club. Our focus is to recognize teachers and staff members, to support the St. Mark's community, and to raise funds to provide our students with the tools and materials necessary for their educational success. By supporting the St. Mark's Booster Club, you support your child and keep tuition costs down.
