

LEGO® Engineering After School Classes at St. Mark's Lutheran School

Mondays: Starting March 10

Spring into STEM using LEGO

Grades: 1st-6th | 3:30pm-5:00pm

\$180 for 8 classes (skip date 4/21)

Registration opens now www.play-well.org

Class ID 112007

Kids are already naturally gifted creators. Then they get added inspiration from our specially trained instructors. They dive into our massive collections of LEGO®. And while they build elaborate objects, structures and vehicles, they explore fundamentals principles of engineering and physics. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long lasting.
