

Socal Lil Kickers

Our mission is to inspire!

Lil' Kickers is an award-winning child development program that uses soccer to help children ages 18 months to 9 years tackle important developmental milestones through age-appropriate and fun-filled activities. We inspire kids to be active, strong, confident and well-balanced in order to unleash their awesome both on and off the field. Classes are led by highly trained, energetic coaches who engage kids and help maintain their enthusiasm by challenging and encouraging them to learn and accomplish new things – preparing them for school, playdates, team sports, and beyond. We have more than 100 locations in 27 States and provinces, with a total enrollment of over 1,000,000 kids and growing.
